Subject - ACQUISITION OF PORTION OF DOOR NOS 5/2 & 6

LANE

11413

With reference to correspondence ending with this office letter No L1 C 1047/44-45 dated 25th June 1948 on the above subject, I have the honour to state that Government in their order No L.13930-2-M1 24-48-108 dated 27-5-49 sanctioned the said acquisition authorising the Municipal Commissioner to take order for the acquisition of the properties in question. Then notice under sections 9 and 10 Land Acquisition Act was issued and served on the owner of the properties Sri Raja Lakshminarayana Setty on 27-6-49 calling to file his claim statement on 6-7-49. In response he filed a written statement on 15-7-49 and raised the following main objections on the proposed acquisition:

1) That the order of Government No L 13930/M1 24-48-109 dated 27-5-49 sanctioning the acquisition was invalid and illegal and the acquisition officer had no legal authority to proceed with the acquisition in view of the fact that an endorsement No L 13193 dated 28-3-47 was issued to him by Government

2 The said order of the Government (endorsement) was ~~final~~¹ as provided in section 5 (A) 2 and the question of acquisition of the land for the same purpose could not be re-opened

3 Fresh notifications under section 4 Land Acquisition Act should have been published and his objections called for under section 5 (A) Land Acquisition Act before the order of Government dated 27-5-49 was passed

4 Forming a conservancy lane for the benefit of only one person viz , Sri N Gopala Krishna Setty does not indicate Government purpose etc .

For the above objections raised by the party, a reply was sent to him through the Municipal Advocate in L A C 32/49-50 dated 7-1-50 (copy enclosed) On 31-1-50 a notice was issued to the party to appear before this office on 6-2-50 for filing his claim-statement. In-the-meanwhile, the claimant filed a civil petition in the High Court of Mysore, Bangalore in RLA No 99/49-50 and obtained a prohibitory order On the observations made by the High Court in this case, the Corporation Advocate discussed the matter with me in person on 27-3-50 and filed a memo in the High Court on 16-8-50 that fresh proceedings would be taken up for the acquisition of the property in question after complying with the provisions of section 4 and 5 & 6 of the Land Acquisition Act On this basis, the High Court of Mysore, Bangalore, have dismissed the civil petition of Sri Raja Lakshminarayana Setty for the present and parties bearing their own costs

As per memo received from the Corporation Advocate in this behalf fresh draft preliminary notifications under sections 4 and 5 Land Acquisition Act to acquire the same properties have been prepared and sent herewith for favour of kindly arranging publication in the Official Gazette

Out of the estimated cost of acquisition amounting to Rs 161/- a sum of Rs 5/- will be met out of the Corporation funds and the balance of Rs 156/- and also the entire cost of acquisition such as, enhanced compensation, interest, court costs etc , will

will be borne by Sri N Gopala Krishna Setty owner of Door No 1, Tankasale Narayana Setty lane, II Division, Bangalore City, as per registered agreement executed by him on 25-10-1945 in this behalf.

I request that fresh orders of Government may kindly be obtained for the acquisition of the said properties authorising me to hear objections under section 5 (A) Land Acquisition Act

The Compiler, Mysore Gazette, may be requested to send 20 spare copies of notifications of each set kannada and english to this office as usual
